Thiruvananthapuram

Sir,

In response to your grievance dated 26-8-2019, the following aspects are brought to your kind notice. As replied vide letter dated 1st July 2019, the methodology involved in collection and compilation of NR key statistics was well explained. Further the matter of publishing NR stock as per 'balancing equation' was discussed in "Statistics Consultative Panel' meeting held on 23rd July 2019. In the meeting this aspect was discussed in detail and it was concluded that since there is a lag between the production, consumption and import of natural rubber during a month, it is not practical to publish the formula stock at the end of every month. All stake holders in the meeting endorsed the above fact and the committee unanimously decided to publish the formula stock only on yearly basis and not on monthly basis.

Yours faithfully,

Secretary (I/C)
